

Chorale (Auditioned)*

Perform at a variety of local venues, including churches, sports arenas, and more. Perform abroad annually.

Chapel Praise Bands

Lead our student body - either vocally or musically - during our regular weekly chapel times.

Chapel Tech Team

Help run lights and sound for chapel alongside a teacher.

Chess Club*

Students enjoy weekly in-house friendly competitions.

Coffee Shop Barista & Management*

NorthPointe's own coffee shop - The Pointe - allows students to manage and work in a coffee shop setting.

Diversity Council

The Student Diversity Council is a student-led group committed to the support of multi-cultural understanding and racial reconciliation within the student body.

Drama

Drama allows for opportunities in acting, makeup, lighting, and set design.

Discipleship Groups/Small Groups

Senior Leaders lead alongside an adult leader, who provides spiritual mentorship for students. In middle school, groups are led primarily by parents or teachers.

Enrichment Trips Abroad

Academic trips abroad include Spain and France, Guatemala, Stratford, Canada, and more.

FIRST Robotics

Students prepare for and participate in FIRST Robotics competitions.

Intramural Lunch (Badminton and Ping Pong)*

This club is a great way for American and international students to interact playing sports that are internationally loved.

International Student Ambassadors

Be a one-on-one host for our international students adjusting to a new country.

Mission Trips Groups

Annual trips include countries such as Haiti, Costa Rica, Dominican Republic, and others.

New Student Ambassadors

Welcome and host new students during school visit days and other events throughout the year.

National Honor Society*

Based on induction requirements, NHS students serve and lead in the school and community.

Peer Tutoring*

Student volunteers are paired with other peers needing academic tutoring.

Science Olympiad*

Students compete in events pertaining to various scientific disciplines, including earth science, biology, chemistry, physics, and engineering.

Student Council

Class representatives are nominated and serve their class throughout the year.

Students For Life

Students support mothers choosing life through volunteering, fundraising, and advocacy.
